£20.00 - £40.00
- 508 Hooker (Richard) The Works of Richard Hooker. An early and very rare copy of this classic work by the famous 16th century English theologian. Large size bound in leather with front boards separated, stained and loose. Printed in Dublin by Elizabeth Sadleir in 1721. Title page is creased, worn at edges and coming adrift at the top, it is printed in red and black. Page edges are generally lightly browned. The first section (Preface & Life of Richard Hooker) has a few marks/stains with a small tear on p47, otherwise pages and text are pretty clean considering age. Dublin, Sadleir. 1721
- 509 Hogarth Restored. The whole works of the celebrated William Hogarth...now re-engraved by Thomas Cook. Large Folio. Original binding which is heavily worn with front board loose, book title pasted on front board stating One hundred and eleven prints however the 2 prints Before & After have been removed (as was done in other copies). Pages often show signs of browning/spotting and staining but the lovely plates are mostly untouched. Collectors' item. John Stockdale, London. 1806
